Re: Caroline Education Community International PSA ("CECI PSA") Extension Request, FCC Appeal E-Rate Grant Award; 2014 - 2018 ; \$11,000,000 @

On behalf of Caroline Education Community International PSA ("CECI PSA") request an extension of time to resolve the issue with the Michigan Department Education ("MDE").

Presently, awaiting issuance of an amendment to the Certificate of Occupancy the Michigan Department Fire Safety Marshall issued late Spring 2018, that shall reflect "CECI" as the authorized occupant.

It is anticipated the resolution of issues that have prevailed shall be resolved in a manner amenable to CECI wherein, MDE shall endorse access to FCC E-Rate grant awards retroactive to 2014 for which CECI is deemed eligible.

Accommodation of this request is appreciated. Available at your convenience to conference and discuss.

Very truly yours,
